

2013 National Safety Stand Down - Atlanta

This year thousands of pilots and AMTs across the country will come together as a Safety Community to participate in a dynamic, interactive program devoted to Local Safety Issues, Loss of Control, and the number one aviation fatal factor – Human Error. Don't miss this opportunity to hear from local flying experts, participate in dynamic discussions, and gain practical insights on how you can learn more from accident reports and reduce errors in your own flying. Be a part of the safety community. Tell your friends, "I'll see you at the Stand Down."

Directions: From ATL northside: Take I-75/85 South. Continue on I-85 South, then Exit #73 - Virginia Ave. Sharp left onto Virginia Ave, then make 1st right onto Toffie Terrace. From ATL southside, take I-85 north to Exit 72 - Air Cargo. Merge onto Draper Rd. Then turn right at Toffie Terrace. Ample, free parking in main lot.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
